The following are images from *Google Earth* with a description of the image depicted to follow.

Areas outlined are only approximations.

The area outlined in **yellow** is the Mckowns Mt community. The area in **red** is the property owned by Duke Power. The area in **blue** is the proposed are for the landfill. The vast majority of the Mckowns Mt community will be gone.

This is an image of the Town of Blacksburg. Blacksburg is 1,020 acres, where as the proposed property by Waste Management is 1,550 acres (1.5 times the size of Blacksburg!)
